Big thanks to....

Local and international organizing committee

Pierre-Marc Jodoin

Michaël Sdika

Valentine
Wagnier-Dauchelle

Thierry Judge

Sylvain Bouix

Christian Desrosiers

Jose Dolz

Heber Hwang Arcolezi

Carole Frindel

Big thanks to....

Local and international organizing committee

Big thanks to Thomas Grenier (CREATIS - Lyon)

Big thanks to....

Local and international organizing committee

Many thanks to our volunteers !

Kunal Mahatha (ÉTS, Canada)

Masoumeh Sharafi (ÉTS, Canada)

Benoit Verreman (ÉTS, Canada)

Omprakash Chakraborty (ÉTS, Canada)

Masoumeh Sharafi (ÉTS, Canada)

Thierry Judge (Université de Sherbrooke, Canada)

Yoan David (Université de Sherbrooke, Canada)

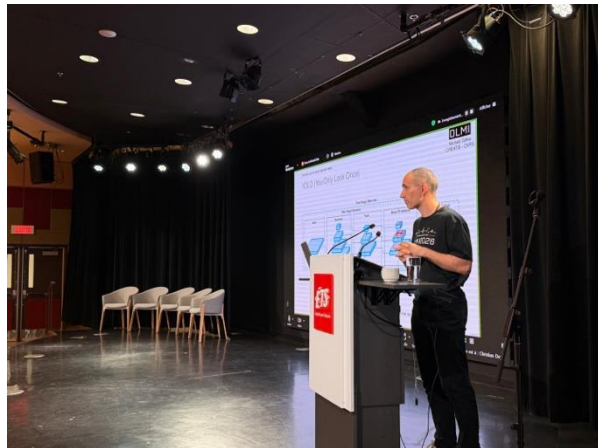

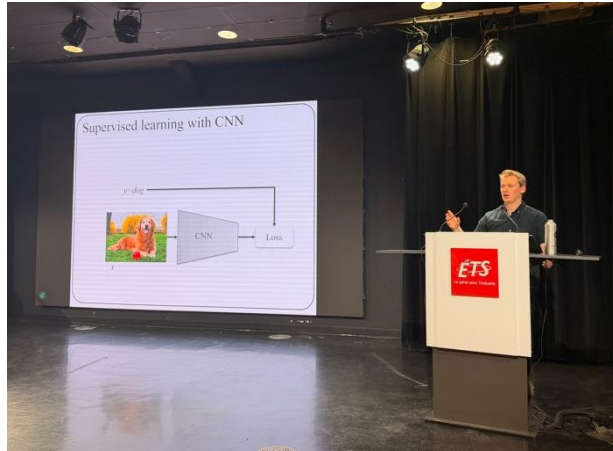

Arnaud Judge (Université de Sherbrooke, Canada)

Valentin Gauthier (INSA Lyon, CREATIS, France)

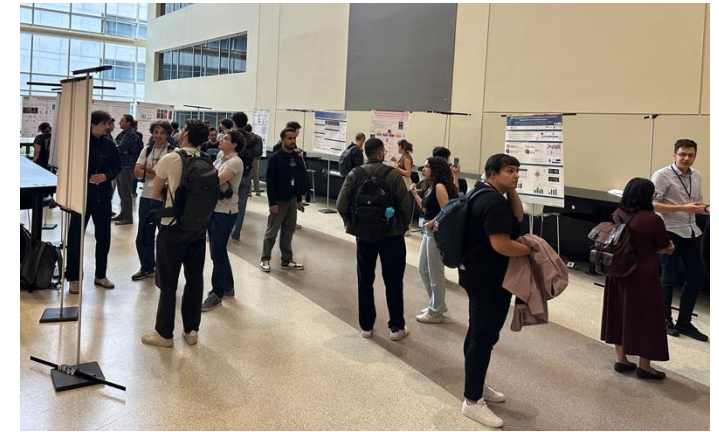

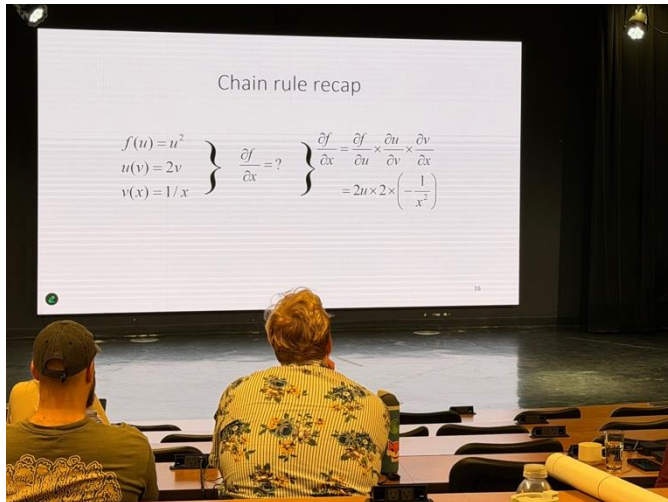

Big thanks to....

Speakers

Big thanks to....

Participants !!!

Why the Summer School ?

- [illegible]

Recap

What will I learn ?

- Basics of deep learning
- CNN architectures and applications
- Vision transformers
- Learning with limited data
- Generative and adversarial methods
- Uncertainty and explainability
- Typical medical imaging issues
- Privacy protection in medical imaging

Recap

~~What will I learn?~~ *What you have learned*

- Basics of deep learning
- CNN architectures and applications
- Vision transformers
- Learning with limited data
- Generative and adversarial methods
- Uncertainty and explainability
- Typical medical imaging issues
- Privacy protection in medical imaging

Recap

Oral presentations and hands-on material

Documents and videos can be found here:

URL : <https://jodoin.github.io/dlmi2026/>

Password : **dlmi2026**

Missing videos and slides will be uploaded soon

Recap

What can be improved ?

- We will send an **anonymous survey** soon by email
- Suggestions are welcome !!!

How did you find the summer school overall?

- ☐ 1 - Not satisfied at all
- ☐ 2 - There were some interesting points, but in general it could be much improved
- ☐ 3 - A good event, but nothing special to highlight
- ☐ 4 - Satisfied overall, with just a few things to be improved
- ☐ 5 - Extremely satisfied, it went beyond my expectations
- ☐ Other...

Summer School 2027

We will be back in Lyon (France) next year

- Tell your friends and colleagues !!!

— Montreal, June 15–19 —

DLMI2026

Thanks for attending !
